TUESDAY EVENING, AUGUST 6.

HOW A MAN'S HAIR IS BRUSHED BY MACHINERY.—There are a number of establishments throughout London, however, for brushing the hair by machinery. This is an invention, far superior to anything of the kind in vogue in America. Enter one of these rooms, and you will notice a revolving shaft extending along the ceiling, with pulleys upon it at regular intervals. Beneath each pulley is a bar of hair, with a flexible band of India rubber extending down from it. You are placed in the chair, sitting upright, and the operator takes his position behind you with his brush which is of a cylindrical shape, about six inches in diameter, the bristles extending from axis outward. A spindle goes through it with a handle at each end. This spindle, which is held by the barber with both hands, is stationary, while the brush revolves about it with lightning velocity, when the band which hangs down from the shaft above it is placed around a pulley on the brush. The elasticity of the India rubber band is such that the operator can hold the brush, turning all the time, a foot above your head, two feet behind you, just touch your hair or sweep through it with a velocity of a hundred revolutions a minute, while a cloud of dust and dandruff falls down in front of you, leaving your head perfectly free and clean from all impurities, more than any shampooing process could accomplish. The whole thing is done in an instant almost. They have hard brushes and soft brushes, and the sensation as they whirl around your head and through your hair is electrical. A morning headache disappears almost immediately, and any one who has experienced the luxury of having his hair brushed by machinery finds it a pleasure which, in future, he will not willingly forego. There are hundreds of these establishments in England, and their number is constantly increasing. —London Letter.

JUDICIAL SALE OF A VALUABLE FARM IN CULPEPER.

By virtue of a decree of the Circuit Court of Culpeper, pronounced on the 5th day of June, 1887, in the case of "Smoot vs. Brandt's Administrator, &c.," the undersigned, Commissioner, appointed for the purpose, will on MONDAY, the 2nd day of September, 1887, if fair, if not on the next fair day, sell, on the premises, at public auction, to the highest bidder, that well-known and beautiful farm called "BRANDY-WINE," formerly owned by Daniel F. Slaughter, and by him sold to Dr. Logan Brandt, and now owned by THREE HUNDRED AND THIRTY-SIX AND THREE-FOURTH ACRES, be the same, more or less.

This farm adjoins the lands of Rev. Philip Slaughter, Wm. Major, Mrs. Catharine Critchenden, and others; lies beautifully undulating at the foot of "Slaughter's Mountain," has a well-watered and vigorous ORCHARD; is well grassed, and finely adapted to the growth of wheat and all the cereals; is in the midst of excellent society; about 12 miles from Mitchell's Station, on the Orange & Alexandria Railroad; about six miles from Culpeper Court House; and is one of the most desirable farms in this section of the country.

TERMS:—So much of the purchase money as may be necessary to defray the expenses of the suit, and the expenses of making this sale, must be paid down in cash; for the residue a credit of two, three and four years will be given, with interest from the date, and the title to be withheld till all the purchase money shall have been paid.

Under this decree the Commissioners are authorized to sell either publicly or privately, and the purchaser may, at his option, pay down in cash the whole or a portion of the purchase money.

VALUABLE POTOMAC LAND FOR SALE.—By virtue of a decree of the Circuit Court of Westmoreland county, Va., in the suit of Stuart, trustee, vs. Kinzer and others, I, as Commissioner, in said decree appointed, will proceed to sell, on the 22d DAY OF JULY, at the Court House, in Westmoreland county, Va., at public auction, to the highest bidder, that well-known TRACT OF LAND, in the decree mentioned, called "LONGWOOD."

This fine estate lies in the county of Westmoreland, immediately on the Potomac river, and is bounded on two sides by that river and Pope's Creek. The tract contains upwards of sixteen hundred acres of land, a large portion of the open land being flat, and lying on the creek and river. The land is of excellent quality, and adapted to all the staple crops of the country, and the Potomac is at the door, and of easy access for the shipment of grain, timber, cord-wood and other marketable commodities, and the waters abound in crabs, fish and wild-fowl, in their respective seasons.

There is growing upon the land an extensive body of pine, chestnut oak and locust timber, which, on account of the increased demand for timber and fuel, add greatly to the value of the estate.

The old mansion was burnt some years ago, but there are comfortable dwelling houses standing near the old site, in good repair, and the prospect from this point is beautiful, commanding a view of the river above and below, and looking out upon the shores of Maryland for many miles.

"Longwood" is accessible by steamboat from landings at Crimmon and Mattox Creeks, on the Potomac, or Leddstown, on the Rappahannock river.

A further description of this estate is deemed unnecessary, as any person wishing to purchase will, no doubt, visit and examine the premises. The title to this estate is unquestionable. The purchase of the lot is subject to the payment of the purchase money on the 10th day of July, and may be addressed to G. W. LEWIS, esq., at Oak Grove, Westmoreland county, Va., or to WM. R. DOZIER, Alexandria; but if not sold by that day, it will be sold at public auction, at the time and place first mentioned. The terms will be liberal, and made known on the day of sale.

THE ABOVE SALE POSTPONED TO AUGUST 26, 1887. It has been considered, advisable to postpone the sale of "Longwood" to the 26th day of August, that being Westmoreland Court-day, when it will be sold, unless disposed of privately before that day. jy 1—eots R. H. STUART, Trustee, &c.

A. Orton, dec'd., conveyed to him by R. G. Walcott.

Said tract is situated about 11 miles from Leesville, and adjoins the lands of Wm. Swink and Mrs. Jackson. More particulars will be given at sale.

It is well watered and heavily timbered.
